Dear Mike,

I am sorry you were under the impression that we were not dumping at Combe Fill.

We are dumping Class A material sporadically, and Combe Fill is keeping a record of the number of loads. I had been asked by Mr. Gary Molchan to pay for these loads on a number of occasions and it is an oversight on my part in not responding and doing so.

I have at this time sent a check for the full amount of \$1,323.00 to Combe Fill and have also purchased a dump book.

Additionally I look forward to your setting up a meeting so that we can explain to you the Combe Fill operation, and its responsibilities to Morris County under the P.U.C.

Sincerely,

COMPACTION SYSTEMS CORPORATION
